## **You're Beautiful**

*My life is brilliant*

I was cleared of all charges.

*My life is brilliant*

*My love is pure*

I left the Wizarding World after the final battle and never looked back.

*I saw an angel*

*Of that I'm sure*

It's my daily routine to stand here, hidden in the shadows, and watch her arrive.

*She smiled at me on the subway*

*She was with another man*

8 years ago I lost nearly everything within minutes.

*But I won't lose no sleep on that*

*'Cause I've got a plan*

I am proud, how she handled the ghosts of the past.

*You're beautiful, You're beautiful*

My parents murdered.

*You're beautiful, it's true*

Ginny died as she tried to protect Harry.

*I saw your face in a crowded place*

Ron killed by Draco and died in my arms.

*And I don't know what to do*

Harry sacrificed himself to protect us all.

*'Cause I'll never be with you*

I also almost died, he saved me but sometimes I wished he had let me fade away.

*Yeah, she caught my eye*

*As we walked on by*

I could never forgive myself for doing Albus a favor.

*She could see from my face that I was*

*Fucking high*

Ah, what a pleasure to be a potions master.

*And I don't think that I will see her again*

*But we shared a moment that will last to the end*

I know it.

*You're beautiful, You're beautiful*

I studied.

*You're beautiful, it's true*

I married.

*I saw your face in a crowded place*

I was expecting.

*And I don't know what to do*

I lost.

*'Cause I'll never be with you*

Again.

*You're beautiful, You're beautiful*

No matter what, everyday the sun rises again.

*You're beautiful, it's true*

My dawn is near.

*There must be an angel with a smile on her face*

A silent promise.

*When she thought up that I should be with you*

I love her.

*But it's time to face the truth*

I love him.

*I will never be with you*

Slowly, very slowly the venom takes advantage of me.
